Subject: Proposed Patriot Bluff Development

Hello Glenn,

I represent RPA Associates, LLC the applicant for the proposed Patriot Bluff Development. We have prepared a Draft Supplemental EIS for the development, which is now complete for public review. Essentially, the Town Planning Board is seeking review comments in accordance with the provisions of SEQR. The documents can be viewed on a web-site address, or by way of hard copy, or PDF files on CD-ROM. Since you have been listed by the Planning Board under the category of an "Interested Agency/Organization", we'd like to know if you'd like to receive the documents as hard copy, or on CD-ROM. Certainly, you have the option of reviewing the documents through the web-site address established for the project at: <http://patriotbluff.web.aplus.net/DSEIS/>. Please let us know what you'd prefer. Thank you.
